The 2014 Food Manufacturing and HPC Conference

The aim of this conference is to provide investors with industry insights beyond routine access to quoted companies. This event brings a range of speakers together who will address a number of the most pertinent topics affecting the Food Manufacturing and HPC sector today. These include managing through emerging market currency devaluations, returns on investment from Digital marketing, successfully coexisting with hard discount, M&A prospects in consumer healthcare and Nespresso's rising competitor.

8.00am, Wednesday 26 March 2014

French Salon, Claridge's, Brook Street, London, W1K 4HR

Speakers will include:

- Andy Tisman, Senior Principal, IMS Health
- Jean-Paul Gaillard, Chairman, Ethical Coffee Company
- Paul Foley, former CEO, Aldi UK
- Stephen White, Founder, EMM International
- Vindi Banga, former President, Global Foods and HPC, Unilever
